

# The Muse Photo & Video Shoot

Your company will be featured on The Muse.

## WHAT IS **themuse** ?

The Muse helps companies recruit top talent by showing our millions of readers what it's like to work at your company before they even apply. We'll be doing video interviews with select employees and taking candid photos around your office.

## Things to do

- ✓ Show up. We want to capture a full and energetic office.
- ✓ Don't shy away from photos. It's super helpful to have employees participate in photos, and show your company in its best light.
- ✓ Keep your desk area clean and decorated.
- ✓ Try to keep the volume down if we are filming nearby.
- ✓ Smile.

## What's next?

Your company will have a completed profile soon to show off the amazing work and culture that YOU are a part of. Share it with your networks to showcase what you do and help your company continue to hire great people.
